

# Why Sponsor?

*Corporate sponsorship is not a new idea. For many years, businesses have donated money to charitable organizations that serve their community. For small business owners, pursuing local community sponsorship opportunities can be a shrewd decision, providing many benefits.*

*Perhaps the biggest advantage given to a business that sponsors, is the increased visibility gained throughout the community.*

*When a business donates to worthy local causes, its image is often enhanced in the public's perception. No longer considered as simply a profit seeking corporation, a business that invests in the community signals a commitment and concern for its neighbors!*

*The Akadema Baseball Organization is proud to be a member of the AAU (Amateur Athletic Union of the U.S., Inc.) and a 501(c)3 Not-For-Profit Organization.*
